

First Baptist Church of Avoca

Membership Application

There are five steps to becoming a member.

- The first is to fill out this membership application **by clearly printing** and return it to a Pastor or Deacon.
- You will then meet with a few of the Pastors and Deacons to review your application.
- Then you will be recommended by the Deacons for membership to the congregation at a business meeting.
- The congregation will then vote and you will be notified.
- You will be welcomed into the body of Christ to find a place to serve and give your life away!

Please feel free to ask any questions that you may have!
