Designated Gym Conceptual Drawings Line.

The Gym Committee met and/or corresponded a number of times, surveyed area churches with gyms, and submitted a report to the Leadership Council and Trustees explaining (a) what ministry areas that a gym could be useful in, as well as (b) design features that area churches have found to be desirable. While we do not have any plans (or approvals) to build a gym at this point, the Committee requested that a designated line be created to allow donations to fund conceptual drawings that show what a gym might look like on our lot, and how it would function with the rest of our space, in the event that the church did desire to build a gym in the future. The boards approved the designated line. Accordingly, if you would like to donate to help pay for conceptual drawings, you can do so by designating that you are giving for "Gym Drawings". Feel free to contact Aaron Mullen with any questions.
